4. Enter your course details and click "Create"

A screenshot of the 'Create Course' dialog box in Schoology. The dialog box has a title bar with 'Create Course' and a close button. Below the title bar, there is a message: 'You must fill in the fields marked with *'. The form contains four fields: 'Course Name: *' with the value 'Sports & Entertainment Marketing'; 'Section Name: *' with the value 'Section 1'; 'Subject Area: *' with a dropdown menu showing 'Other'; and 'Level: *' with two dropdown menus showing '9' and '12', and a 'Remove' button. At the bottom of the dialog box, there are two buttons: 'Create' and 'Cancel'.

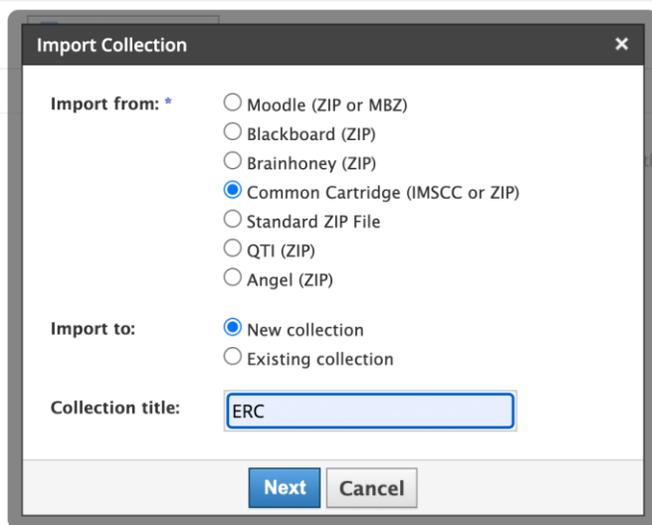

5. On the following page, click "Resources" in the top menu

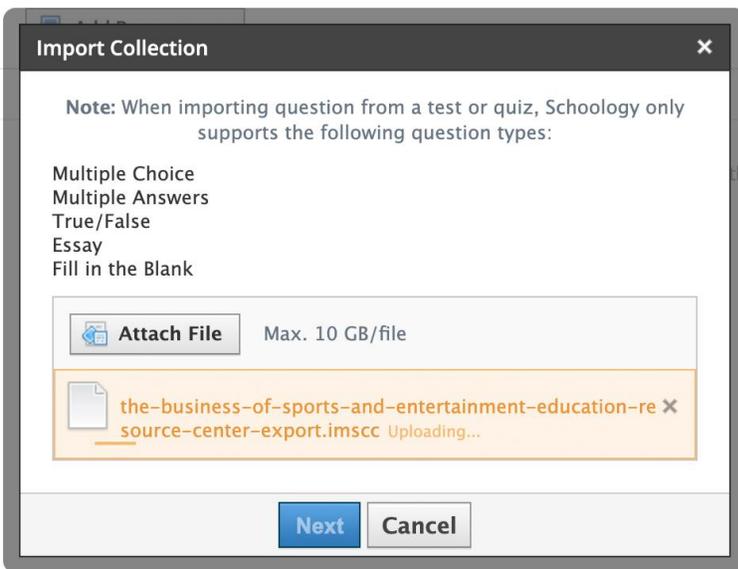

6. In the "My Resources" section, Click the small down arrow, and select "Import" from the dropdown menu

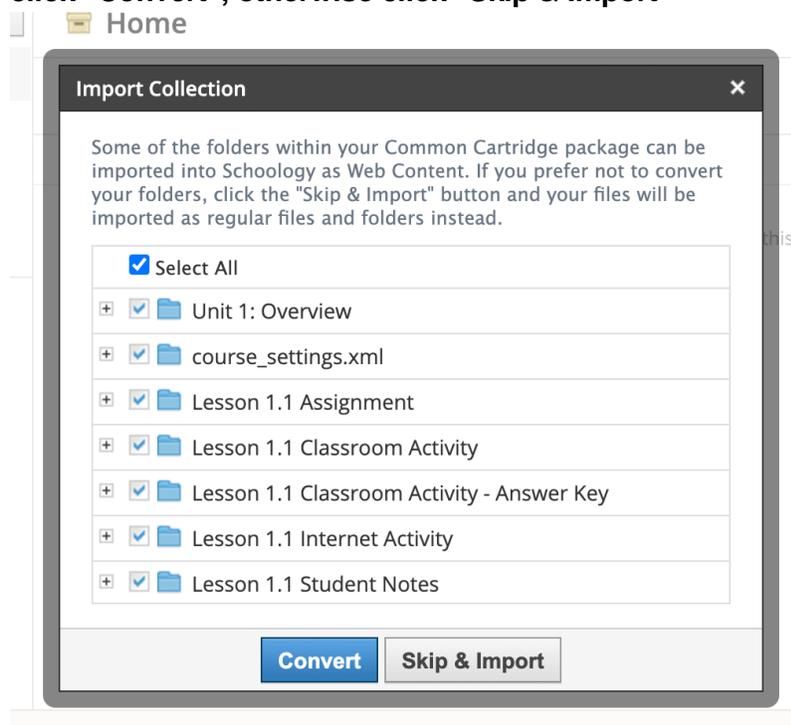

7. In the Import Collection pop-up, select "Common Cartridge". You can either import the content to an existing collection, or create a new one depending on your course setup preferences. Click "Next"

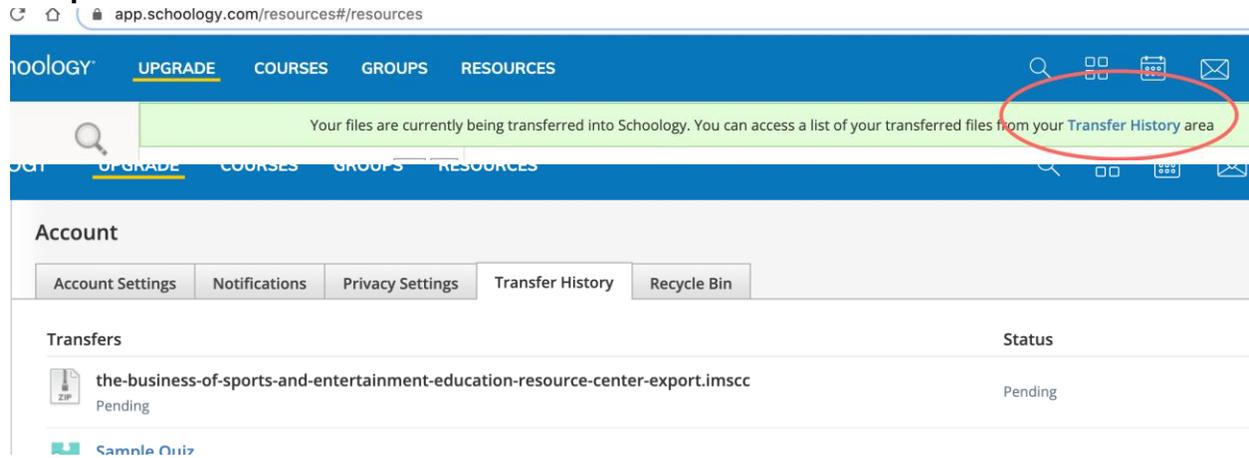

8. Click "Attach File" then select the .imsc (Common Cartridge) file that you downloaded previously. Click "Next". The upload may take a few minutes. Click "Next" again when the upload is complete.

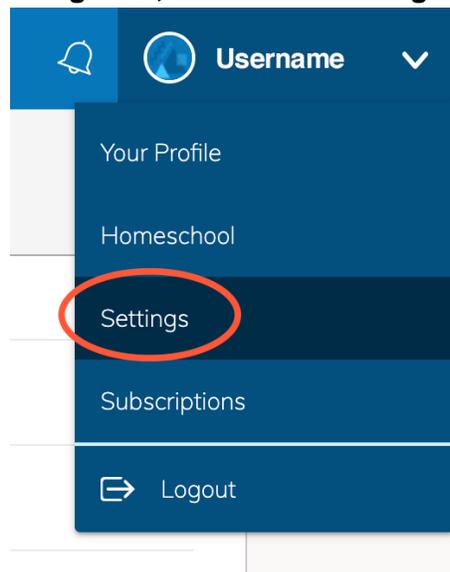

9. If you would like to have the course imported as Web content, check "Select All" then click "Convert", otherwise click "Skip & Import"

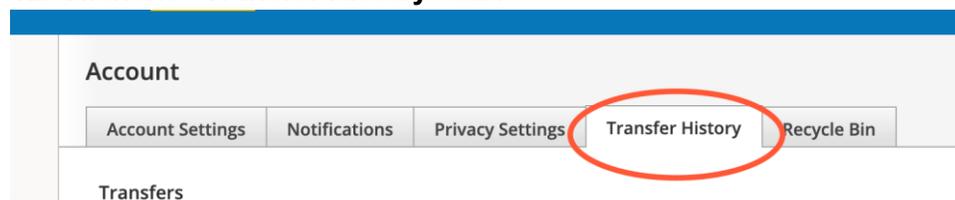

10. You will receive an email once the transfer is complete. If you click "Transfer History", you can also see your transfer status which will show as pending until it is completed.

11. To access your transfer history, click your username right corner of the top navigation, then click "Settings"

12. Click the "Transfer History" tab.

13. You should see the list of file transfers and their statuses. The transfer will show as "completed" when the file transfer is done.
