ACTIVITY RUBRIC**

1. Nike collaborated with NBA teams again this season to release a “City Edition” uniform collection. NBA teams will wear these uniforms for specific games this season, each paying tribute to their home city.
2. Review the following lessons in Sports Career Consulting’s textbook (*The Business of Sports & Entertainment*) along with the “City Edition” PPT to see this year’s edition of the jerseys:

- Lesson 6.1 (Branding)
- Lesson 6.2, 6.3 (Licensing)
- Lesson 8.1 (Sponsorship)
- Lesson 11.2 (Community Relations)

You might also visit league and team websites for more examples of city edition uniforms for some additional inspiration when creating your own designs.

3. Using the handout provided by your teacher, design your own version of a City Edition basketball uniform, imagining your school as the NBA team and your city as the team’s home. Provide details on how the uniform represents your community.

Your presentation should include the following:

- Describe the concept of branding
- Explain the licensing process
- If your uniforms will include a sponsor patch (other than the Nike or Jordan Brand logo that already appears on the uniforms), explain why you partnered with that particular brand and how your city uniforms will benefit the corporate sponsor
- Describe how your city uniforms will also include a community relations component or support a cause
- Design your version of a city edition uniform, explaining how the uniforms will represent your city and why fans and the community will want to purchase them
