

**INSTRUCTIONS**

There are many social issues that impact the business of sports and entertainment on a daily basis, ranging from drugs and gambling to labor abuse and environmental issues. Your assignment is to identify at least five (5) CURRENT news stories that provide examples of social issues in sports and entertainment.

In the space below, provide five (5) examples along with a brief description of how each issue directly impacts the business of sports and entertainment. Be prepared to discuss the issue in class.
